Lead times for specialty & non-stocked items varies depending on product ordered, quantity, and destination. Please contact Architessa to determine the lead time to order samples and material.

DESCRIPTION

CODEX features tile reflective of a Japanese technique used in Raku pottery. This glossy ceramic collection comes in various earth tones and deco designs for an elevated, earthy, and slightly industrial look.

INSTALLATION & MAINTENANCE

CODEX may be installed using standard ceramic tile installation methods and materials, as recommended by the Tile Council of North America (TCNA). An Architessa sales representative will advise you on general installation questions.
