LITZE[™]
KITCHEN COLLECTION

Art meets craft

Brizo® is a luxury fittings brand for people who understand that fashion isn't just about the clothes they wear—but their entire lifestyle.

We create distinctive designs that don't just complete rooms—they inspire spaces.

LITZE™

TEXTURED. VERSATILE. VIBRANT.

Art meets craft.

Inspired by the revival of the arts and crafts movement, the Litze Kitchen Collection by Brizo® melds a clean, contemporary sensibility with a crafted style to strike the perfect balance.

STUNNINGLY DETAILED.

Carefully chosen touches abound in the Litze™ Kitchen Collection—including deliberately placed, beautifully textured knurling details—providing functional benefits while celebrating the beauty of craftsmanship.

AMAZINGLY VERSATILE.

Multiple spout and handle options make this collection adaptable to any design. The strikingly simple bent tube spout on the pull-down, bridge and bar faucet is a true study of form, and is available in three distinct shapes—Arc, Square and Angled—each creating its own modern, geometric statement.

Combine the perfect spout with one of two handle options—Knurled Lever or Industrial Lever—for a statement piece that reunites artistry and industrial design. This level of customization creates a collection whose beauty is matched only by its versatility.
