

Let's end childhood cancer

TOGETHER.

GIFTS THAT *GIVE*

St. Jude Children's Research Hospital® is leading the way the world understands, treats and defeats childhood cancer and other life-threatening diseases. Treatments invented at St. Jude have helped push the overall childhood cancer survival rate to more than 80 percent since it opened more than 50 years ago.

Families never receive a bill from St. Jude for treatment, travel, housing or food—because all they should worry about is helping their child live. The support of donors gives St. Jude the freedom to focus on what matters most—saving children regardless of their financial situation. More than 75% of their operating funds come from donations, and over the past seven years, 82 cents of every dollar received has gone to support research, treatment and future needs of St. Jude.

The St. Jude Dream Home Giveaway® is the largest single fundraising program in the history of St. Jude. As the first National Sponsor of the St. Jude Dream Home Giveaway in 2010, we are proud to be celebrating our 10 year anniversary in 2020. The Brizo brand, along with the Brizo Chicago Design Alliance and our plant in Jackson, TN, have provided more than \$5,432,729 in product and monetary donations.

It's not just the things we make.
IT'S THE MARK
WE MAKE ON THE WORLD.
