

TERRAZZO & MARBLE

SUPPLY COMPANIES

2019 NTMA JOB OF THE YEAR
SALESFORCE TRANSIT CENTER – SAN FRANCISCO, CA

Thank you for considering Terrazzo & Marble Supply Companies for your next terrazzo flooring system. As a 100% employee owned company, Terrazzo & Marble takes great pride in our business and places the highest value on customer relationships. Our commitment to quality products and service will continue to be a focus as a growing, innovative and trustworthy company. Over the past 75 years we have established ourselves as an industry leader through passion, quality & service.

Terroxy Resin Systems has proudly been used on hundreds of award winning projects.

Quality & Design Flexibility

Terroxy Resin Systems are manufactured from tested formulas developed from over 50 years of experience. This matrix is combined with richly colored marble, granite, glass or other aggregate to create limitless design and color possibilities. T&M's credibility and reputation with quarries and suppliers across the globe allows us to obtain only the highest quality aggregates and divider strips for our terrazzo customers.

Longevity

This virtually indestructible material is ideal for commercial, industrial and institutional applications. It withstands heavy traffic and with proper sealing, is resistant to water, chemicals, oil, grease, most acids and solvents. Terroxy Resin Systems provides over a 40-year life cycle without fading or thinning of colors so that they are just as vibrant as the day the surface was installed. Contact our sales desk to learn how terrazzo flooring systems can be considered a "Green Building Material."

Meeting the full spectrum of your needs – whether it be Terroxy Resin Systems, specialty aggregates, divider strips or terrazzo machinery – T&M is here to earn your business and partner with you in all of your terrazzo flooring system needs.

Dependability

Our skilled Terrazzo Sales Desk provides prompt and accurate answers to your questions to ensure you are supplied with all of the materials to complete your installation. Our facilities are fully stocked with Terroxy Resin Systems, specialty aggregate and divider strips to meet all of your needs. Additionally, our Architectural Sales Reps are in the field to help educate you and the industry on the benefits of terrazzo flooring systems.
