When it comes to sustainable forests, the Forest Stewardship Council® (FSC®) sets the standard. We have long been FSC® chain of custody certified.

Our Modern Farmhouse Collection includes wood from standing dead, small well-managed family forests, incidental species, and FSC-certified® forests.

Our goal is to help you shine, ensuring your project goes smoothly from start to finish. By inventorying & milling our products in New York & Oregon, we can remove obstacles so you can hit tight schedules and budgets. Here's our promise in a nutshell:

- On time, your time, every time.
- We mill for precision, grade for quality, and dry for stability—assuring you a headache-free job site.
- Let us pre-finish your order and save you install time. We have standard oils, polys, and nano options.
- If you have questions about delivery, acclimation, installing, or finishing—call us, we speak construction.
- We source and mill in-house giving us buying power and control; giving you competitive pricing.
- Your whole-project solution: With full in-house drafting, design, and custom woodworking should you need it.

Looking for bartops, tables, feature walls or something completely indescribable? We are skilled in full fabrication including furniture, fixtures, and build-outs.

NANO-COMPOSITE FINISHES:

Consistent tones make our Modern Farmhouse species a perfect canvas for color. Our 7 layer nano-composite finishes offer easy installation, highly durable wear, and are no-VOC & BPA free.

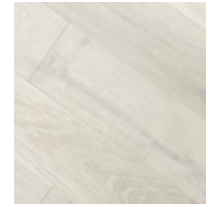

Finish colors shown on Casual White Oak for consistency, but all species are available. Tones will vary based on species—we're happy to work with you to get just the right look.
