

## Wood that Works.

Havwoods offers the finest luxury wood surface products from across the world's best mills. Almost exclusively sourced in Europe, we offer the best solutions for floors, walls, ceilings, furniture & cabinetry, acoustics, stairs and much more.

## Wood that meets your needs.

Havwoods offer products to suit every project requirement, budget, or aesthetic desire. We hold some of the widest and largest stock levels in the US, and our bespoke services can find a solution for any timber product need.

## Wood that is sustainably sourced.

Timber, by its very nature is a sustainable material when harvested sympathetically. All our products are selected from well-managed forests, and we offer more sustainably certified products (FSC, PEFC and Cradle-to-Cradle) than anyone else in the market.

## Wood which is understood.

With nearly 50 years' of experience, very few understand the product more than our expert team. We are on hand throughout the selection process, guiding customers along every step of the way. With sector specialists across each project type and timber install experts across all applications we can help ensure product selections will be fit for purpose and look beautiful for years to come.

## Wood that should be experienced.

With a flagship New York showroom, we guarantee that a trip to visit us will be worthwhile. Our expert team is on-hand to guide you through the selection process whilst providing a VIP experience second to none. If you can't make it to us, then our best-in-class sample service will bring the products to you.

## Wood used by the biggest brands.

From BMW to Rolls Royce, from Google to Microsoft, from Starbucks to McDonalds, from Tag Heuer to Ralph Lauren our products are used by the world's biggest brands.

## Wood showcased around the world.

Havwoods is a truly international business, with our products installed across 5 continents. We are uniquely positioned to deliver consistency of products, consistency of service and consistency of stunning results no matter where in the world you are.

## Wood that lasts a lifetime.

Given the right care and maintenance the Havwoods products are created to endure and to remain truly beautiful. And remember... should they start to show their age, it can add to their character or alternatively be sanded down and refinished.
