AMAZINK FABRIC COLLECTION

In a society where everything is immediate, we would like to invite you to: Stop, Observe, Feel and Think. Imagine you could enjoy the beauty of masterpieces in your own home. Letting your skin caress the soft velvet paintings, to amaze, to feel and let your surroundings become part of you. As a Portuguese brand, we are paying tribute to one of the most important artists of the modern era: Amadeo de Souza-Cardoso, a Portuguese painter who contributed to the growth of the artistic movement in the 20th century. This collection is a VIP admission to a unique exhibition – in your home.

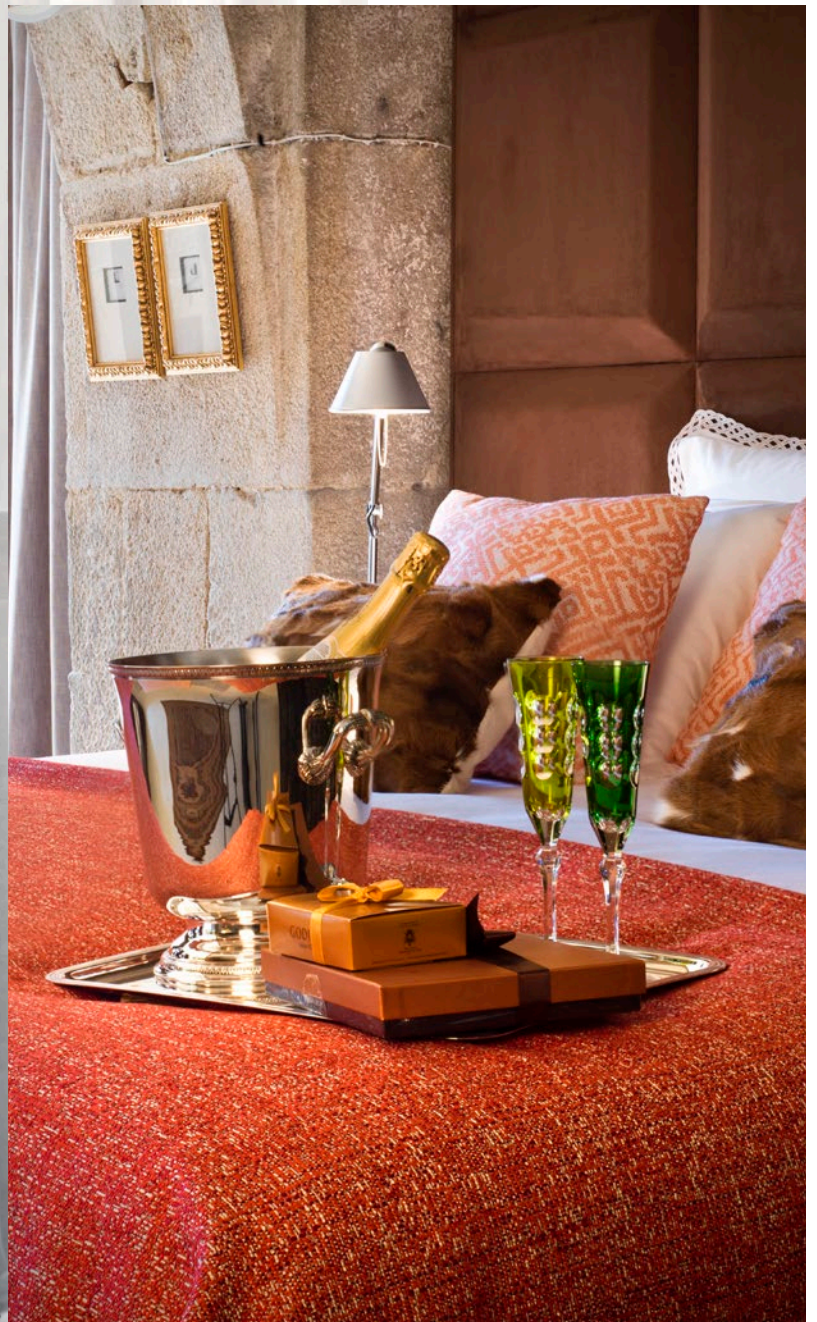

SMARTER FABRIC INTRODUCTIONS

A smarter way to identify the high performance fabrics offered by Aldeco. Distinguished by the distinctive title “Smarter” most of the fabrics in this category will either be fire retardant or have high abrasion performance. These upholstery and drapery fabrics are the natural solutions for contract and hospitality installations.
