## INDOOR/OUTDOOR PERFORMANCE FABRIC & TRIMMING COLLECTION

Scalamandré introduces an island inspired collection of indoor/outdoor fabrics that feature a natural look and hand with high performance. These stylish fabrics offer high fade resistance, durability and washability, making them ideal for active interior and exterior environments. Artisanal dyeing techniques such as ikat, batik and shibori, are interpreted in a graphic fashion alongside chic textures, stripes and geometrics. The sophisticated palette is influenced by clear tropical waters, sandy beaches, leafy palm trees and vivid sunsets. Add the finishing touches to your island oasis with Isola trimmings, a range of indoor/outdoor tapes, cords, fringe, braids and tassels beautifully coordinated with the Isola fabrics collection.
