PRIVATE RESIDENCE | Dallas, TX

Located in Dallas, Texas this private residence features Porcelanosa's products in its kitchen, master bathroom, and floors throughout the residence. The project has won the following awards: 1st place ASID Legacy of Design, 1st place KBB for Smart Bathroom, the shower seats created out of Porcelanosa's KRION® Solid Surface material won the 2nd place for Design Element for ASID Legacy Of Design, and the home has also been awarded 2nd place at the ASID Design Ovation. It has also been featured in the following publications: Dallas Style and Design, Lux Life Autumn, and Kitchen and Bath Business Magazine.

PRIVATE RESIDENCE | Los Altos, CA

Porcelanosa's newest shade of KRION® Solid Surface Material, K•Life Snow White, was used to create the kitchen countertop and island of this luxurious home located in Los Altos Hills, California. When in contact with light, K•Life is able to purify the air, self-clean, expel harmful bacteria, and eliminate chemical products. This material is ideal for use in kitchens because it has been certified as food grade and has antibacterial properties. The kitchen and recreation lounge feature the marble-look Lush White Polished 47"x47" floor tiles. The pool lounge, basement, and exterior flooring feature the Concrete Black Nature 35"x35" tile. The laminate AC4 LS 1L Boston was used in the bedroom to create a warm and inviting space.

PRIVATE RESIDENCE | Allendale, NJ

Located in Allendale, New Jersey this private residence features Porcelanosa's custom kitchen cabinetry in Blanco Snow and separate storage space in Roble Arenado. Light grey is integrated into the design of the kitchen with Porcelanosa's Ibiza Grey tile, which was used as a backsplash. The chrome finish Urban Stick XS single control kitchen faucet is also featured in the project.

PRIVATE RESIDENCE | Riverside, CT

Porcelanosa's tile and bath products are featured throughout this luxurious home located in Riverside, Connecticut. XLIGHT Kala White Polished, Porcelanosa's extra light and thin porcelain tile, adorns the kitchen's walls and the same marble-look finish is used on the countertops with Porcelanosa's new XTONE material. The nine bathrooms throughout the home feature Porcelanosa's vanities and fixtures, all following a natural-toned palette.

Photo by Peter Falkner Commercial Photography

PRIVATE RESIDENCE | Princeton, NJ

The redesign of this marvelous kitchen was completed in July of 2017. Porcelanosa's kitchen cabinetry in the Gris Trama Ghost finish blends seamlessly with the dividing wall, and is complemented by the wood-veneer Roble Bronze finish. The Harlem Caliza floor tile provides a sense of continuity, as it closely resembles the Gris Trama Ghost finish.

PRIVATE RESIDENCE | Sunnyvale, CA

Located in Sunnyvale, California this private residence kitchen was remodeled with 400 square feet of Porcelanosa products. From our Emotion Line collection, Porcelanosa features Roble Torrefacto and Pergamon Matte Lacquer. The upper level kitchen cabinets are veneered by a wood-looking appearance given by Roble Torrefacto. Next to them, the tall cabinets and the kitchen base feature Pergamon Matte Lacquer. The kitchen island uses KRION Ash Nature 0902, covering the countertop and at the same time creating a "waterfall" on the side.

Photo by Joe Agatep

PENTHOUSE | Las Vegas, NV

This spectacular penthouse kitchen in Las Vegas was designed by Porcelanosa Hollywood. Porcelanosa cabinetry in a white textured glass over stainless steel frame, in conjunction with a gloss white lacquer cabinet with integrated handle was used to set the stage for the kitchen design. The rest of the penthouse was designed by Monica Gresser of BRAZEN Architecture.

CONDO UNIT | Boston, MA

This upscale condominium in Boston, MA was created by interior designer Beatrice M. Fulford-Jones. Fulford-Jones' design motif includes white and tan neutral colors with soft lighting and contemporary furniture designs, creating an elegant and modern living space for its residents. Many different Porcelanosa products are used throughout the condominium's design – including bath fixtures from Urbatek and Systempool and a custom kitchen countertop created out of Porcelanosa's signature KRION® Solid Surface Material in Ash Grey.

PRIVATE RESIDENCE | Louisville, CO

This private residence located in Louisville, Colorado features Porcelanosa's XTONE marble-look countertops, custom kitchen cabinetry, and backsplash. The light Lush White Nature countertop is paired with the darker Savage Dark Nature in the kitchen. The contrast between light and dark shades spans throughout the room. Savage Dark Nature is also used for the top of the table in the office.

PRIVATE RESIDENCE | Nashville, TN

Porcelanosa's bath and tile products were used throughout this residence located in Nashville, TN. Pieces of Porcelanosa's NK One, Hotels, Lounge, and Forma bath collections were featured.

Mitchell Designs used a neutral palette throughout the home with Porcelanosa's tiles. White tones included the Diamond White, Jersey Nieve and Marmi Blanco tiles. Grey tones included the Irish Natural tile featured on the wall of the fireplace, and the Brunei Blanco tile. The Calacata Gold, Carrara Blanco Brillo, and Marmol Carrara Blanco tiles added a marble-look where used.

PRIVATE RESIDENCE | Short Hills, NJ

This newly built home, located in Short Hills, NJ, utilizes a variety of Porcelanosa products throughout its design. A range of Porcelanosa tiles were used throughout all five of the house's bathrooms, main living area, and two kitchens. Custom cabinetry for the main kitchen was created using cabinetry models from the Gama line from Gamadecor, which show a rustic dark wood laminate with a contrasting glossy white lacquer to create a modernized look.

Photo by Doug Holt Photography

Photo by Peter Giles Photography

PRIVATE RESIDENCE | Los Altos, CA

This private residence features Porcelanosa's Residence Kitchen cabinetry in the finishes Etimoe Night and Blanco Snow. The KRION countertops provide an antibacterial, non-porous surface, which is ideal for kitchens. The light grey Mosaico Rodano Acero backsplash compliments the neutral toned hues used throughout the space.

KITCHEN DESIGN MISTAKES TO AVOID

Much of our home life takes place in the kitchen, which is why before we get down to planning the perfect kitchen for our home, it is important to consider a few basic ideas to avoid making those classic kitchen design mistakes.

1 BLOCKING THE 'KITCHEN WORK TRIANGLE'

The work triangle is made up of the refrigerator, the sink and the cook top, forming the space that is used the most and therefore requires careful consideration when planning the kitchen layout, trying not to block or separate these 3 elements too much.

However, it is equally important to ensure that the kitchen work triangle is not overly small, as the resulting space will be cramped and various users will get in one another's way.

2 POOR LIGHTING

Effective lighting is an essential factor in any home, something that obviously also applies to the kitchen. We must avoid creating shadows in the work area, as this is where we use kitchen utensils that could be sharp and therefore pose a hazard.

In addition to being functional, lighting can also help us to differentiate between various areas, such as the work space we have already mentioned, and the area used for eating.

3 OVERLOOKING VENTILATION

Apart from trying to create a kitchen space with good natural ventilation, choosing an effective extractor hood is crucial for any kitchen. One of the most important factors for consideration is to ensure that the extractor hood is positioned at precisely the right height in order to ensure a far cleaner and more pleasant kitchen.

4 LACK OF STORAGE SPACE

Something that is common to all kitchen areas is the large number of utensils we use in them. And it is precisely for this reason that ample storage space is vital. What's more, when designing our kitchen layout, we must also make sure that it is easy to access.

5 FAILING TO CONSIDER COUNTERTOP SPACE

Another key factor that is often overlooked is the space we need to work on, despite the fact that practically all the tasks we do in the kitchen require a countertop. Therefore, when it comes to designing our kitchen layout, it is extremely important to think how much space we will be needing, particularly close to the sink and the cooker. Kitchens featuring an L or U shaped island are the ideal solution for this question.

6 CHOOSING THE WRONG KITCHEN ISLAND

In relation to the previous point, and even though they are a very trendy option, including an island in our kitchen layout is often the wrong decision. If our kitchen is not the right size, an island can block the work triangle discussed in section one.

Now that you have a few basic rules for consideration when tailoring your kitchen to your needs and ensuring that you will not make any design mistakes, all that is left to do is browse through our kitchen models and select the one that is right for you.

YOUR DREAM KITCHEN A-TO-Z

A AIRSLATE

A beautiful kitchen must have a gorgeous tiles and Porcelanosa's Airslate tiles offers a variety of textures and colors. Airslate tiles are large format natural stone slabs that feature a plexiglass membrane that allows it to curve and mold onto a surface which makes it ideal for installing on uneven surfaces.

B BACKSPLASH

Add some personality or create a focal point to a usually overlooked part of the kitchen. Adding a backsplash can change the entire rooms' appearance and feel without having to redo the entire space.

C CEILING LIGHTS

For modern kitchens with personality, ceiling lights are the best choice, although it is also important to choose lighting that fits in with your style of kitchen.

D DRAWER SPACE

Our kitchens offer many drawer options, featuring super slim sizes and styles that maximize space and storage.

E EMOTIONS KITCHEN

The contemporary kitchen range designed to thrill. Its new and carefully planned range of finishes, its surprising solutions, the finest materials, the use of state-of-the-art production machinery and impeccable design are the hallmarks of the excitingly new Emotions kitchen line.

F FINISHES

With a large selection of finishes including Krion Solid Surface and Xtone options, you can tailor your kitchen to fit your home and your decorating style.

G GATHERING SPACE

Our designs are focused on uniting the kitchen and living spaces, with many kitchens featuring concealed options to hide the work space when not in use, creating more space for social gettogethers.

H HANDLES

From sleek and integrated to push models, we have a variety of handles to finish your cabinetry options.

I ISLANDS

Make the most of the focal point of your kitchen - add a sleek Xtone or Krion® Solid Surface countertop, or even incorporate storage units, oven and table space.

J JEWEL TONES

Add an unusual pop of color with jewel toned tiles. New lines like Ronda, Malaga and Sevilla feature a variety of vibrant colors to choose from.

K K-LIFE

Porcelanosa's KRION® Solid Surface 1100 Snow White color features KRION® Eco-Active Solid Technology (KEAST). When this shade is in contact with light, it will be able to purify the air, self-clean, expel harmful bacteria, and eliminate chemical products, making it a smart choice for kitchen countertops.

L LAMINATES

From cabinet finishes to floor and wall tiles, our laminates are a great way to bring the look of hardwood into your home without the maintenance. When it comes to realistic textures for tile, our Natural collection truly emulates the natural surfaces of a real wooden plank. If you prefer a tile with a brushed wood look, then our Life collection is an ideal choice. The possibilities are endless with Porcelanosa's laminate floorings that look like oak, beech, ash and chestnut wood and are able to warranty Porcelanosa quality standards at a more affordable price.

M MULTIPLE FINISHES

From Laminates, Lacquers, and Veneers for cabinetry to Xtone and Krion® Solid Surface for countertops, mix and match from a variety of different finishing options.

N NATURAL MATERIALS

Natural materials can be incorporated into kitchens in a wide range of ways, such as the use of natural stone for countertops, or stone or natural woods for backsplashes, creating one-of-a-kind settings that lend a sense of harmony to the entire room. Flooring is another way of incorporating natural materials into kitchens, using stone, natural wood, laminate flooring or LinkFloor.

O OPEN SHELVING

There is a growing tendency toward open spaces, where everything is visible. This also extends to the kitchen, which is why the units tend to feature more and more

open shelving, where the jars, spices, glasses and plates can all be seen. This means that they become part of the décor, reminiscent of prominent markets and bars in some of the world's most cosmopolitan cities.

P PANTRY

Our kitchens offer multiple options for pantry storage: choose from full length cabinets, concealed door systems, open shelving, and more. Deep drawers and organizers also add to space optimization.

Q QUIET-CLOSING DRAWERS

Our cabinets feature an innovative soft close system, which not only makes the opening and closing easier, but also provides functionality and ease with regard to everyday use.

R RESIDENCE KITCHENS

Residence kitchens are contemporary and minimalist, characterised by their cutting-edge features that create spaces combining design and state-of-the-art elements. Its streamlined, straight line kitchens feature minimalist designs with an extensive range of available finishes, making them the ideal choice for any setting.

S SINKS

Choose from stainless steel options or KRION® Solid Surface. The solid surface kitchen sinks developed by Krion® combine forms and colors to configure special, unique spaces. With our latest generation material, you will be able to combine

and adapt your kitchen sink to the rest of the kitchen to obtain a personalized design. Furthermore, its composition of natural minerals and high resistance resins facilitate the durability and quality of this compact material.

T
TILE
Floor and wall tiles and backsplashes can add the finishing touch to your kitchen space. Porcelanosa offers a variety of looks for tile, including wood look, stone, mosaic, dimensional, patterned, marble look, and more.

U
UNIQUE
COUNTERTOPS
Thanks to materials like XTONE and KRION® Solid Surface, your possibilities are endless. Utilize Xtone slabs to create a countertop that's seamless and lightweight, or opt for a Krion countertop with smooth edges and integrated sinks.

V
