Sustainability Matters

Four leathers in our original olive tanned line (Madrid, Eden, Terra & Aspen), were awarded the first Declare Labels for leather by the ILFI (International Living Future Institute).

Today, Moore & Giles has expanded to **20+ Declare red list free leathers.**

WHAT IS THE DECLARE LABEL?

It's like a nutrition label, but for products instead of food.

Declare is a transparency platform that answers:

- Where a product comes from
- What a product is made of
- Where a product goes at the end of its life
- If a product contains toxic ingredients
