ESSENTIALS
PALLAS

CHAMBRAY & MATKA

Essentials gathers tactile solids and timeless textures that lend interiors quiet strength. New to the family, Chambray reveals a refined hand and effortless composure, while Matka distills artisanal beauty into modern simplicity. Both belong to Pallas's NetZERO® portfolio, crafted through exclusive hydro-based technology that eliminates solvents entirely.
The result is sensuous performance: a fabric as responsible as it is beautiful. Sustainable by design, graceful in presence, ready to ground a space—or whisper its own story.
